

SPEAKER'S BIOGRAPHY

Philippe Montpert (France)

Philippe Montpert is Managing Director of Willis Aerospace Consulting, the branch office of Willis Ltd in Paris, member of the Willis Inspace network.

He has 22 years of experience in the space industry. He started his career as a space engineer at the European Space Agency (ESTEC) and became shortly after Lead Mechanical Engineer. He then joined in 1990 a French insurance company (La Réunion Spatiale) as the first full time space underwriter and claims manager.

In 1994, he joined Aon France as a space broker, founded Aon Space and Aon Explorer, and became the head of the Special Risks Division. In 2006, he joined Willis to open the Willis Inspace office in Paris.

Philippe is a member of Aéroclub de France.

He graduated from ESTACA, an aerospace engineering college.
