

Microcosm Astronautics Books

is pleased to be exhibiting at the ESA GNC2008 conference

Below are a few of the over 250 titles we have available in our store and online at www.astrobooks.com

*For the GNC2008 conference we are offering a 10% discount on all of our books!!
When ordering online: simply choose "GNC2008" when asked "Where did you hear about us" at checkout.
Since this select offer is not available to everyone, the discount will not appear until order is processed.
To save shipping charges: enter "Please deliver" in the "order notes" section, and you can pick up your books at the conference. (this is suggested, especially if you want a book other than what's pictured on this page)*

**Any questions, please contact Pam at bookstore@smad.com
or 01-310-219-2700 Monday thru Thursday 8:00-16:30**
