

## LAZZI EVENTS

### **ESA WORKSHOP ON AEROSPACE EMC Florence 30 March-1st April**

**Sunday 29<sup>th</sup> March**

**CHIANTI HALF DAY & wine tasting**

Departure from Florence to Greve in Chianti. Arrival in Greve and tour of the village, one of the main centres of the Chianti area. Here you can admire the famous Falornis' butcher shop, where you can find delicious sausages made in a traditional way. You continue by bus to Villa Vignamaggio. Vignamaggio is listed in the "Historical buildings of Italy" as the home of many famous Florentine families and for being the birthplace of the Mona Lisa painted by Leonardo da Vinci. This is one of the reasons why Kenneth Branagh chose Vignamaggio as location of the film taken from Shakespeare's comedy "Much Ado About Nothing". You will receive a guided tour of the gardens and cellars. This includes wine tasting with two different local wines, extra native Olive Oil, with specialties and finally "cantuccini con vinsanto": special almond biscuits to dip into the Vinsanto, a sweet dessert wine.

08:30 Meeting point Congress Center, Piazza Adua 1, reception area  
13:30 Return to Congress Center

For further information and registration, please contact 'Lazzi Events' at [eventi@lazzigroup.com](mailto:eventi@lazzigroup.com).  
2009 ESA Workshop on Aerospace EMC should be explicitly mentioned in the email.
